Risks: Risks of the procedure(s) may include but are not limited to: complications from anesthesia, bleeding, injury to vessels, injury to gastrointestinal and genitourinary organs, infection,

Alternatives: Alternative procedures or treatments may include but are not limited to:

The procedure(s), risks and alternatives above were explained to me. I have been instructed regarding the risks, benefits and side effects of the alternatives, including the possible results of not receiving care, treatment, and services. I had the opportunity to ask questions and all of my questions about the procedure(s), risks and alternatives were answered to my satisfaction. I have been instructed regarding potential problems that might occur during my recuperation and the likelihood of achieving goals. I understand that, during the course of the procedure(s), unforeseen conditions may necessitate additional or different procedures than those listed above or discussed with me. I authorize the physician/credentialed provider and other practitioners to perform such other procedures as are, in their judgment, necessary and appropriate. I acknowledge that no warranty or guarantee was made to me as to result or cure.

I CONSENT TO THE ABOVE PROCEDURE(S).
